Stockton is Open for Business!

New Downtown Businesses

The owner of FarOut Foliage moved her small business from the [Weberstown Mall](#) over to Downtown Stockton. FarOut Foliage serves plant lovers and collectors with a variety of unique plants, including exotic, hard to find pieces and decorative plants and planters.

Plaza Perks was established by the nonprofit [Parents by Choice](#). The cafe brews [Cat & Cloud](#) coffee and provides foster youth with work experience and job opportunities. They serve coffees, teas, smoothies, plus easy grab and go breakfast and lunch items.

Available Business Resources

Short-Term Non-Residential Public Facilities Fee & Mitigation Fee Deferral Program

This program provides short-term relief from upfront development costs, specifically impact fees, until construction has been completed and the building is ready to occupy. Rather than paying development impact fees when a building permit is issued, a developer with a qualified non-residential project may elect to defer payment of such fees, with the exception of certain "pass-through" fees.

**Electronic Plan Checks
Now Available**

The City of Stockton's Building Division has streamlined plan submission with the implementation of an electronic plan check. Building plans can now be submitted for electronic review and approval. This short video is available to guide applicants through the new submission process and address questions or concerns. The new plan submission portal is linked below.

STOCKTON
HEALTHY PLEDGE

The Stockton Healthy Pledge is a program to help businesses commit to health and safety. Studies are showing customer confidence regarding health and safety practices will assist businesses during the economic recovery. To help build that customer confidence, the Stockton Business Recovery Coalition is asking local businesses to pledge their commitment to all guests and patrons' health and safety. Visit Stockton is leading this free, voluntary program. Click below to take the pledge.

[Make the Stockton Healthy Pledge](#)

The City has established a one-stop web page with the resources available to small businesses and employees. This page will continue to evolve as updates become available. We will also provide virtual training, workshops, and webinar links when scheduled.
